Inspiring Wranglers Campaign Construction Update

The Inspiring Wranglers Campaign: The Campaign for Tomorrow's Chefs that kicked off in 2018 has reached completion and construction for Phase 1 of the project is underway.

Phase 1 includes a newly constructed state of the art chemistry lab that will serve multiple programs on campus. Also included in Phase 1 is the renovation of a new Senior Teaching Kitchen, Demonstration Kitchen, upgraded Student Commons Space and newly renovated restrooms. Phase 1 construction is on track to be completed by mid to late December 2020.

We are thankful for all the donors that have made this exciting project possible.
