brave 30-degree temperatures for the quick dip in Mouse Lake, they also won the award for the Best Team Costume. The Polar Bear Plunge is held to help raise money to support Kansas Special Olympics.

Presidential Search 2021

FHTC Presidential Search Update

Progress continues on the Presidential Search for Flint Hills Technical College. The search committee has reviewed all qualifying applications and narrowed the search to a smaller pool. The committee will begin conducting preliminary virtual interviews with those candidates. From that process, select candidates will be recommended to the board to consider inviting to Emporia for on-campus interviews and forums.

Recommendations from the search committee for the top candidates,

along with input from forums, are anticipated to be presented to the board in the April meeting. The FHTC Board of Trustees will make the final selection with the goal of announcing a new president this June.

The search committee members include representatives from the FHTC Board, FHTC leadership, employees, students, alumni and staff, Emporia community leaders, and the Kansas Leadership Center. Ken Roemer serves as the chair of the committee.
