Costs are subject to change. Actual costs are determined after enrollment and may vary depending upon which courses enrolled in different semesters. A non-refundable enrollment deposit is due at time of enrollment. Account balances are due, or payment arrangements made need to be made before the first day of the semester. A late fee of \$50/month will be assessed on the balance due after the 1<sup>st</sup> day of the semester. Textbook prices may vary; please check [fhtc.ecampus.com](http://fhtc.ecampus.com) for current textbook prices.

After successful completion of four semesters during high school, students may obtain a technical certificate. If the student plans to pursue an AAS degree, an additional 32+ credit hours will need to be completed and will be billed to the student at the post-secondary rate. Students entering the program as high school seniors will need to return one year to complete their Technical Certificate.
