## In-Person Event Planned for Spring Commencement

FHTC is planning an in-person event for its commencement ceremony on May 16. Attendance will be ticket based, with each graduate given an allotted number of tickets. That number, along with protocols before,

during and after the ceremony, will be determined based on public health guidance and proper social distancing. The ceremony will also be live streamed for viewing by those unable to attend in person.

## 2021

## Practical Nursing Pass Rate Above Average

FHTC Practical Nursing program has seen two consecutive years (2019 and 2020) of NCLEX pass rates above the national average.

## Wrangler Rock Hunt

FHTC Student Senate sponsored a painted rock hunt last month. The painted rock was hidden in the community and students were given a clue to find it. Anthony Young, Power Plant Technology student, found the rock and won a gift certificate to Granada Coffee and FHTC swag.

## Candidates Visited Campus

DR. CARON DAUGHERTY

DR. HERBERT RIEDEL

DR. SANDRA KIDDOO

The three finalists selected to advance in the Flint Hills Technical College Presidential Search have had their campus visits and interviews over the past two weeks. During their day long visit, each candidate met with administration, toured campus and the community, and held forums that were open to community members,

FHTC employees and students. Each day concluded with an interview with the FHTC Board of Trustees.

Now that visits and interviews are completed, the board will deliberate the three candidates with the goal of announcing a new president by June.
